Roxane Laboratories, Inc.

May 7, 2002

PRODUCT DISCONTINUATION

Isoetharine Inhalation Solution USP 1%, 10mL bottle (NDC# 0054-3408-40)

Dear Pharmaceutical Buyer:

The FDA has amended the regulations governing specific classes of drug products. The amendment requires that all aqueous-based drug products for oral inhalation be manufactured sterile, effective May 27, 2002.

Isoetharine Inhalation Solution USP 1% packaged in the 10mL bottle is effected by this amendment and will be discontinued from Roxane Laboratories product portfolio. For that reason the last shipping date for this product is May 17, 2002.

Should you have any questions or require further information, please contact our Customer Service Department at 1-800-520-1631. As always, thank you for your support and we appreciate your business.

Sincerely,

Karen Strelau
